30 months

Ages 3 to 21

Ask your child's PCP if additional hearing tests are needed.

A dental check-up for your child is recommended by age 1 and bi-annually thereafter.

Lead screening is required at 12 and 24 months, and as directed by your child's PCP.

Check-ups are recommended every year around your child's birthday.

Vision check-ups are recommended by age 5 and yearly thereafter.

KEY

- Well-Child Check-ups
- Refer to immunization schedule
- Other recommended check-ups /screenings
