* NOTE: Fee schedules are subject to review and amendment by the department. A provider may request that the department review a particular reimbursement rate for possible adjustment or request the inclusion or exclusion of a particular code from the list. When reviewing the requests, the department shall review paid claims information, Medicare fee schedules, national coding lists, and documentation submitted by the provider or the associated medical professional organization to determine whether a change is warranted.

Attention: The procedure codes with established rates effective for dates of service starting July 1, 2012, through June 30, 2013 reflect a reduction in rates of 4.5% for SFY12 and increase of .5% for SFY13. Codes with no established rate pay at a percentage of billed charges per administrative rule and the same percentage for SFY12 reductions and SFY13 increase wil be applied.
