

SOUTH DAKOTA SUICIDE PREVENTION PLAN

2023 PRIORITY STRATEGIES

1 DATA	2 EDUCATION & TRAINING	3 COMMUNICATIONS	4 COMMUNITY ENGAGEMENT
<ul style="list-style-type: none"> + Develop and disseminate population specific data infographics. (Veterans, Farmers/Ranchers) 	<ul style="list-style-type: none"> + Provide harm reduction and means safety training and educational resources. + Utilizing the Zero Suicide Report, work with agencies to bridge the gap in implementation across the four priority elements. + Provide education and training to organizations that support farmers and ranchers. 	<ul style="list-style-type: none"> + Utilize inclusive language across all communication channels, by educating and training organizations on how to do that. 	<ul style="list-style-type: none"> + Partner with economic-related programs within the community (unemployment, housing, etc.) to provide suicide prevention resources within their programming. + Provide crisis model policies that may be adopted by local primary, secondary, and postsecondary schools, worksites, and other entities. (focus on crisis and postvention within postsecondary and worksites) + Provide local resources to various community organizations that work with specific populations like farmers, ranchers, veterans, older adults, American Indians, etc. (focus on older adult population, and others as align with infographic strategy)
