**State of South Dakota Division of Child Protection Services (CPS)
Child and Family Services Training Plan 2020-2024**

Course Name & Description	IV-E Admin Functions Addressed	Venue and Sponsorship	Design	Provider	Duration	Audience	Estimated Cost Per Year	Estimated IV-E Portion
<p>Foundation Training (Initial In-Service): Participants receive training about the foundation of CPS policy and practice, and receive orientation training related to the CPS Mission and Vision, Practice Models, and Principles and Standards. The training includes information on developing self-awareness and cultural consciousness; curriculum to develop staff skills and increase knowledge related to interviewing and engaging families; and skills on practicing safe work habits. Staff learn about the legal process and laws and policy related to child abuse and neglect and ICWA. Staff are trained on South Dakota Tribal Nations-Understanding the Culture- Yesterday's Impact- Today's Challenges on Our Work In CPS.</p>	Family centered practice, case management, cultural competency, preparation for judicial determinations, permanency planning, licensing, and recruitment.	Provided Virtually	Long Term	Family Services Specialist Supervisors and Family Services Specialists who have been selected to train.	28 hours offered 3 times a year	New Family Services Specialists, Social Services Aides, New Family Services Specialist Supervisors	\$19,400.00	IV-E portion is cost allocated based on random moment time study.
<p>Initial Family Assessment Training (Initial in-service): This training provides participants with an overview of identification of the four types of child maltreatment. Participants will develop interviewing skills associated with gathering meaningful information related to the Initial Family Assessment. Staff learn how to complete safety evaluations; gain additional interviewing skills; learn how to document information in the Initial Family Assessment; and how to complete Safety Plans and Immediate Danger Plans.</p>	Case management, referral to services, assessment of safety, and need for removal.	Provided Virtually	Long Term	Family Services Specialist Supervisors and Family Services Specialists who have been selected to train.	28 hours offered 3 times a year	New Family Services Specialists, Social Services Aides, New Family Services Specialist Supervisors	\$13,050.00	IV-E portion is cost allocated based on random moment time study.
<p>Protective Capacity Assessment (Initial in-service): Participants learn a system of intervention that is fundamentally based on the application of safety concepts and criteria. Participants will develop skills to engage and build collaborative partnerships with the caregivers, direct conversations with caregivers regarding the identified threat to safety, raise self-awareness and seek agreement with caregivers on what must change in order to keep the child safe, understand the purpose for the Protective Capacity Assessment and the relationship between what must change, and the enhancement of diminished protective capacities. The training helps staff learn how to write realistic goals, outcomes and objectives for change in a Protective Capacity Assessment document; understand specific case plan services are intended to enhance the identified diminished protective capacity; identify when caregiver protective capacities are sufficient to protect against the threats to the child safety; and how to document the Protective Capacity Evaluation process.</p>	Case management, case planning, referral to services, placement of child, permanency planning, and preparation for judicial determinations.	Provided Virtually	Long Term	Family Services Specialist Supervisors and Family Services Specialists who have been selected to train.	28 Hours offered 3 times a year	New Family Services Specialists, Social Services Aides, New Family Services Specialist Supervisors	\$13,050.00	IV-E portion is cost allocated based on random moment time study.

<p>Protective Capacity Evaluation Training: The participants will consider a foundation from which measuring progrss can be applied. They will have a broadan perspicite about measurement beyond compliance and behavior change. Participants will be able to complete a Protective Capacity Case Plan evaluation and will be able to emphasize ongoing safety intervention as dynamic and provisional.</p>	<p>Case management, case planning, referral to services, placement of child, permanency planning, and preparation for judicial determinations.</p>	<p>Provided Virtually</p>	<p>Long Term</p>	<p>Program Specialists, Family Services Specialist Supervisors, and Family Services Specialists who have been selected to train.</p>	<p>14 hours</p>	<p>New Family Services Specialists, Social Services Aides, New Family Services Specialist Supervisors</p>	<p>\$6,525.00</p>	<p>IV-E portion is cost allocated based on random moment time study.</p>
<p>Permanency And Well-Being Training (Initial in-service): Participants receive an overview of child development, family dynamics, parent-child attachment and parenting discipline techniques. The training provides participants with an understanding of the importance of preserving connections and what constitutes quality caseworker visits. Participants learn about placement services for children in foster care; comprehensive assessments of children and how to complete a comprehensive assessment; formal case planning development for children; and case plan evaluation. They gain knowledge of the Interstate Compact on the Placement of Children (ICPC) process, Permanent Plan options, and education on federal laws pertaining to placement. The training also provides them with information on the adoptive family search process, matching considerations for placement of children and adoption; training on youth development, to help foster parents, adoptive parents, workers in group homes, and case managers; understand and address the issues confronting youth preparing for a successful transition to adulthood and making a permanent connection with a caring adult; and the Independent Living Services Program (Chafee).</p>	<p>Case management and supervision, placement of child, case planning, kinship placement, and permanency planning.</p>	<p>Provided Virtually</p>	<p>Long Term</p>	<p>Program Specialists, Family Services Specialist Supervisors, and Family Services Specialists who have been selected to train.</p>	<p>30.5 Hours offered 3 times a year</p>	<p>New Family Services Specialists, Social Services Aides, New Family Services Specialist Supervisors</p>	<p>\$13,050.00</p>	<p>IV-E portion is cost allocated based on random moment time study.</p>
<p>Motivational Interviewing 1 and 2: Motivational interviewing is an engagement tool that workers can utilize to support families in exploring and resolving ambivalence about change. Given that families often become involved in the child welfare system involuntarily and that engagement may be a challenge for caseworkers, Motivational Interviewing is a method that benefits Caseworkers. At the conclusion of MI Level One, participants will demonstrate a basic understanding of Motivational Interviewing and utilize MI practices to increase engagement with the families they serve. At the conclusion of MI Level Two, participants will have utilized the skills they learned in MI Level One. They will bring the experiences they had since MI Level One to MI Level Two training for support and to enhance their engagement skills.</p>	<p>Referral for services, data collection and reporting.</p>	<p>Provided Virtually</p>	<p>Long Term</p>	<p>Family Services Specialist Supervisors and Family Services Specialists who have been selected to train.</p>	<p>20 Hours offered 4 times (2 of each) a year</p>	<p>New Family Services Specialists, Social Services Aides, New Family Services Specialist Supervisors</p>	<p>\$18,960.00</p>	<p>IV-E portion is cost allocated based on random moment time study.</p>

<p>Foster Care and Adoptive Training (Initial in-service): Foster Care and Adoptive Online training is required for all prospective foster and adoptive parents. Foster Care and Adoptive Online training is facilitated through a combination of classroom (4 classes) and online sessions (5 classes). The training can also be completed 100% online, as well. Family Services Specialists complete Foster Care and Adoptive Online training so they experience the same training provided to the foster and adoptive parents and learn about the same theories and concepts. Participants learn a competency-based, integrated approach to parenting of children placed in foster care or for adoption.</p>	Case management, placement of the child, development of the case plan, recruitment, and licensing of foster homes.	Online	Long Term	The Office of Licensing and Accreditation has a contract with a private agency that trains PRIDE online. CPS staff can also complete the training 100% online.	30 hours	New Family Services Specialists, Social Services Aides, New Family Services Specialist	\$999,811.00	IV-E portion is cost allocated based on random moment time study.
