

## ATTACHMENT 1: ATTESTATION

1. Orientation/Training – The designated provider and care team agree to attend an initial orientation session and subsequent training as required by the Department of Social Services in order to become and remain a designated provider.
2. Designated Provider - South Dakota's Health Home Model includes a Health Home designated provider as the central point for directing recipient centered care and is accountable for reducing avoidable health care costs, specifically preventable hospital admissions/ readmissions and avoidable emergency room visits; providing timely post discharge follow-up and improving recipient outcomes by addressing primary medical, specialist and behavioral health care needs through direct provision, or through arrangements with appropriate service providers of comprehensive integrated services. General qualifications are as follows:
  - Health Home providers must be enrolled (or be eligible for enrollment) in the SD Medicaid program and agree to comply with all Medicaid program requirements, including those outlined in the Provider Standards document and the Core Services document.
  - Health Home providers can either directly provide, or arrange for the provision of, Health Home services. The Health Home designated provider remains responsible for all program requirements.
  - Health Home providers must have completed Electronic Health Record (EHR) implementation and use the EHR as its primary medical record solution, prior to becoming a Health Home provider.
  - Health Home providers must electronically report to the State (in a manner defined by the Department of Social Services) information about how the Core Services are being met and the outcome measures.
  - Health Home providers must work in concert with the South Dakota Department of Social Services, on an as needed basis, to evaluate and continually improve the South Dakota Health Home model as a means to achieve accessible, high quality care, and demonstrate cost-effectiveness in order to justify and support the sustainability and spread of the model.
  - Health Home providers must comply with 42 CFR as it pertains to sharing data for recipients with substance abuse disorders.
3. The designated provider agrees to provide the Core Services as listed below and as defined in Attachment 2 found at <http://dss.sd.gov/healthhome/application.aspx>.
  - Comprehensive Care Management
  - Care Coordination
  - Health Promotion
  - Comprehensive Transitional Care
  - Recipient and Family Support
  - Referrals to Community and Social Support Service

4. The Designated Provider is required to track and submit quality data to the Department of Social Services in a manner defined by the Department of Social Services. The data is required to show performance for the Health Home specific measures in the area of Clinical Outcomes, Experience of Care, and Quality of Care. Guidance for these measures can be found at <http://dss.sd.gov/healthhome/outcomemeasures.aspx>.
