## Regular Individual Re-enrollment Checklist

A Regular Individual Provider is a provider that owns his/her own practice. This provider will receive payments directly from SDMA for services rendered at their practice.

## Regular Individual Re-enrollment Checklist

The table below contains a list of required fields for each step when enrolling as a Regular Individual Provider. In the parenthesis you will find the options for that field. If there are a large number of options for the required fields, those options are located at the bottom of the document (See Required Field Names in bold). **Shaded fields below**  **may have been pre-populated with data converted from the Legacy SDMMIS files.**
