An Our Home-ASAP Training Plan dated September 2019 through August 2020 was provided with the application materials. The document states Our Home, Inc. requires new employees to read the Policies and Procedures Manual which is then reviewed by a supervisor within the first week of employment. Overall program goals are reviewed with new employees as part of orientation. Supervisors review the Operations Manual with new employees as part of the new employee orientation. All new employees take part in a 12 hour orientation course as well as 20 hours of Medication Administration training initially upon hire and then a 4 hour refresher annually. Five of the records reviewed for staff employed more than a year and contained a plan for competencybased training based on annual evaluation of the staff member's competencies.
