Professional Code of Ethics

The Code of Ethics and Standards of Practice can be viewed and/or printed at: www.dss.sd.gov/bapp

The Professional Code of Ethics applies equally to all Certified Addiction Counselors, Licensed Addiction Counselors, Certified Prevention Specialists, Trainees, and individuals in the process of applying for certification, licensure, or trainee recognition. The Board of Addiction and Prevention Professionals (BAPP) believes that all people have rights and responsibilities through every stage of human development. The goal of the BAPP is for addiction and prevention professionals to treat everyone with the dignity, honor, and reverence that is fitting to them.

The Professional Code of Ethical Conduct entitles human beings to the physical, social, psychological, spiritual, and emotional care necessary to meet their individual needs. The BAPP's ethical codes and standards identify the ethical responsibilities of the profession. The Code details and establishes, although not exhaustive, those principles that form the standards of ethical behavior of any individual certified, licensed, or recognized by the Board.

The Code will set the basis for the reception of and processing of those allegations related to breeches of acceptable standards, practice, and behavior.

Private conduct is a personal matter, except when such conduct compromises the fulfillment of professional responsibilities or may endanger the health or safety of clients who are or may be under your care. When there is evidence that another professional is violating an ethical standard, whether obvious or perceived, you have a responsibility to report the unethical conduct to the BAPP.

I understand and subscribe to the professional Code of Ethics and understand that any violation of the principles will be grounds for disciplinary action and sanctions.

By checking this box, I hereby attest that I have read and will comply with the Code of Ethics and Standards of Practice of the Board of Addiction and Prevention Professionals.
