

# Provider Rate Increases

Medicaid Advisory Committee

# July 1, 2023 Inflationary Increases

- Most providers rates are receiving a 5 percent inflationary increase as appropriated during the 2023 legislative session.
- Select services are receiving a targeted rate increase:
  - Dental services.
    - 70 percent of billed charges.
  - Community based providers including in-home nursing services.
    - SUD agencies and CMHCs are receiving a 16 percent increase.
  - Applied Behavior Analysis (ABA) services administered by a technician.

# Thank You
