**Attention:** South Dakota Medicaid Podiatry Providers

**From:** South Dakota Medicaid

**RE:** Podiatric Services Administrative Rule Change

The South Dakota Interim Rules Review Committee approved rule changes to the Podiatric Services chapter on August 23, 2022. Effective September 12, 2022, routine footcare services provided by a podiatrist are now covered for recipients diagnosed with metabolic, neurologic, or peripheral vascular diseases.

Additional information regarding podiatry coverage and reimbursement is available in the [Podiatric Services](#) manual.

Sincerely,

South Dakota Medicaid
