**Re: Money Follows the Person**

Money Follows the Person (MFP) helps individuals live and receive services at home and in the community. MFP provides supports to those that are elderly, physically or developmentally disabled, that are living in nursing homes for 60 days, hospitals for 30 days, or facilities for those with developmental disabilities return to the community.

MFP provides short-term supports that are not typically covered by Medicaid but remain a barrier to moving home. These services include securing a residence with a security deposit, purchasing necessary household goods, furnishings, moving expenses, or adaptive equipment to enhance one's independence.

For more information, or to make a referral for you or someone you know visit the MFP website at <https://dss.sd.gov/mfp/default.aspx> or call 605.367.4393.

Sincerely,

South Dakota Medicaid
