

# DIETICIAN AND NUTRITIONIST SERVICES

## ELIGIBLE PROVIDERS

In order to receive payment, all eligible servicing and billing provider's National Provider Identifiers (NPI) must be enrolled with South Dakota Medicaid. Servicing providers acting as a locum tenens provider must enroll in South Dakota Medicaid and be listed on the claim form. Please refer to the [provider enrollment chart](#) for additional details on enrollment eligibility and supporting documentation requirements.

South Dakota Medicaid has a streamlined enrollment process for eligible ordering, referring, and attending providers that may require no action on the part of the provider as submission of claims constitutes agreement to the [South Dakota Medicaid Provider Agreement](#).

Dieticians and nutritionists must be licensed under the provisions of SDCL Ch. 36-10B or licensed in another state with standards equivalent to or more stringent than South Dakota's.

## ELIGIBLE RECIPIENTS

Providers are responsible for checking a recipient's Medicaid ID card and verifying eligibility before providing services. Eligibility can be verified using South Dakota Medicaid's [online portal](#).

The following recipients are eligible for medically necessary services covered in accordance with the limitations described in this chapter:

Coverage Type	Coverage Limitations
Medicaid/CHIP Full Coverage	Medically necessary services covered in accordance with the limitations described in this chapter.
Qualified Medicare Beneficiary – Coverage Limited (73)	Coverage restricted to copay, coinsurance, and deductibles on Medicare A and B covered services.
Unborn Children Prenatal Care Program (79)	Coverage restricted to pregnancy related services only including medical issues that can harm the life of the mother or baby.

Refer to the [Recipient Eligibility](#) manual for additional information regarding eligibility including information regarding limited coverage aid categories. Recipients in the primary care provider (PCP) or health home (HH) programs require a referral from the PCP or HH providers to receive dietician and nutritionist services.

## COVERED SERVICES AND LIMITS

### General Coverage Principles

Providers should refer to the [General Coverage Principles](#) manual for basic coverage requirements all services must meet. These coverage requirements include:

- The provider must be properly enrolled;
- Services must be medically necessary;
- The recipient must be eligible; and
- If applicable, the service must be prior authorized.

The manual also includes non-discrimination requirements providers must abide by.

### **Dietician and Nutritionist Coverage**

Dietician and nutritionist services must be ordered by a physician, physician assistant, or nurse practitioner. Dietician and nutritionists may bill South Dakota Medicaid using the CPT codes listed on the department's [fee schedule](#). Services may include the following:

- Nutritional assessment of individuals or groups;
- Establishment of priorities, goals, and objectives to meet nutritional needs;
- Provision of nutrition counseling for both normal and therapeutic needs;
- Development, implementation, and management of nutrition care services; and
- Evaluation, adjustment, and maintenance of appropriate standards of quality in nutrition care

Recipients are limited to 1 hour of services a day and 5 hours of services per plan year, July 1 through June 30, for any combination of CPT codes 97802, 97803, and 97804. Recipients under 21 may exceed these limits if approved as medically necessary by South Dakota Medicaid. Providers may submit a prior authorization request using the [Medical Nutrition prior authorization form](#).

Services must be provided according to a written plan. Providers must document the need for continued visits. Maintenance visits are not covered. Services cannot duplicate other services such as diabetes education.

Services provided by Indian Health Services (IHS) or Federally Qualified Health Centers/Rural Health Clinics (FQHC/RHC) are not considered a separately billable encounter. Services for individuals in a nursing home are included in the nursing home's payment and are not separately billable.

## NON-COVERED SERVICES

---

### General Non-Covered Services

Providers should refer to [ARSD 67:16:01:08](#) or the [General Coverage Principles](#) manual for a general list of services that are not covered by South Dakota Medicaid.

### Dietician and Nutritionist Non-Covered Services

Weight loss services not covered include, but are not limited to: nutritional supplements or foods for the purpose of weight reduction, diet pills, exercise classes, health club memberships, instructional materials and books, motivational classes, counseling or weight loss services provided by persons who are not enrolled with South Dakota Medicaid, counseling that is part of the physician's covered services and for which payment has already been made.

## DOCUMENTATION REQUIREMENTS

---

### General Requirements

Providers must keep legible medical and financial records that fully justify and disclose the extent of services provided and billed to South Dakota Medicaid. These records must be retained for at least 6 years after the last date a claim was paid or denied. Please refer to the [Documentation and Record Keeping](#) manual for additional requirements.

## REIMBURSEMENT AND BILLING

---

### Timely Filing

South Dakota Medicaid must receive a provider's completed claim form within 6 months following the month the service was provided. Requests for reconsiderations will only be considered if they are received within the timely filing period or within 3 months of the date a claim was denied. The time limit may be waived or extended by South Dakota Medicaid in certain circumstances. Providers should refer to the [General Claim Guidance](#) manual for additional information.

### Third-Party Liability

Medicaid recipients may have one or more additional source of coverage for health services. South Dakota Medicaid is generally the payer of last resort. Providers must pursue the availability of third-party payment sources and should use the Medicare Crossover or Third-Party Liability billing instructions when applicable. Providers should refer to the [General Claim Guidance](#) manual for additional information.

### Reimbursement

A claim for dietician and nutritionist services must be submitted at the provider's usual and customary charge. Payment for services is limited to the lesser of the provider's usual and customary charge or the fee contained on South Dakota Medicaid's fee schedules.

## **Claim Instructions**

CPT codes 97802, 97803, and 97804 are only billable by a licensed and enrolled dietician or nutritionist. Claims must be submitted on a CMS 1500 form. Recipients in the primary care provider (PCP) or health home (HH) programs require a referral from the PCP or HH providers to receive dietician and nutritionist services and must include the ordering/referring physician in block 17. Please refer to the [CMS 1500 Claim Instructions](#) for additional information.

## **QUICK ANSWERS**

---

### **1. Are dietician and nutritionist services reimbursable for a FQHC, RHC, or IHS?**

Services are reimbursable when another covered service is billed as part of the same visit. The services are not separately reimbursable when provided on a standalone basis.
