

Amendment to Vendor Questions for RFP #1272, “Payment Processing Software – SD Department of Social Services Division of Child Support Secretariat/Finance”

The Department of Social Services, Division of Child Support hereby amends the Vendor Questions for RFP #1272

22	Q: Is the implementation period prior to go live considered part of Year 1 (12 months) of the contract?	A:
----	--	-----------

A: It is the State’s desire that licensing and support would commence upon go live. Specific details surrounding licensing and other appropriate timelines can be discussed during contract negotiation.

35	Q: Attachment G Cost Proposal for Payment Processing System Could the State provide a MS Word version of Attachment G to facilitate vendor filling out the form?	A: The state has submitted a copy of the cost proposal in Word as requested.
----	--	--

A: The cost proposal will be posted as a separate document to the DSS and Procurement website that was missed with the original publication.

All other sections and provisions of the RFP and the Vendor Questions remain intact as posted.

Any and all questions should be posted to the Point of Contact, Mark Close at mark.close@state.sd.us.
