

Office of Licensing & Accreditation and Child Care Services Data

This information includes child care providers with licensed for-profit and/or nonprofit centers and before and after school programs, and family child care homes voluntarily choosing to be registered with OLA. A large number of family home providers choose not to be registered and the information from those programs is not included in this data. The following information is based on a reporting period of state fiscal year 2023 (July 2022-June 2023) unless otherwise noted in the heading.

July 1, 2022- June 30, 2023,
