Health Home Training

- Health Home Core Services training was provided on March 26. Recording and materials can be found on the web at <http://dss.sd.gov/healthhome/training.asp>.
- DSS will continue to provide quarterly trainings for Health Homes. Topics recommended by the Implementation Workgroup and Health Homes.

Health Home Outcome Measures

- First submission of Health Home Outcome Measures was February 28, 2014.
- Outcome measures data will be reviewed by outcomes subcommittee to determine if revisions to the measures are necessary.

Health Home Implementation Group

- An Implementation Workgroup was formed to help guide the Health Home Implementation process. The Workgroup meets on a quarterly basis. Agendas and minutes are posted at <http://dss.sd.gov/healthhome/implementationwkgp.asp>
