Dear Friends and Colleagues:

On behalf of the South Dakota Department of Social Services, Division of Adult Services and Aging, I am pleased to present the South Dakota Resource Directory for the Elderly. This publication contains a listing of local resources for older adults and caregivers.

Recognized as the State Unit on Aging for South Dakota, the mission of the Division of Adult Services and Aging is to provide opportunities which enable older South Dakotans to live independent, meaningful and dignified lives while maintaining close family and community ties.

This publication has been developed to assist older adults and their caregivers in locating resources for such needs as adult day care, in-home services, emergency contacts and transportation.

I would like to thank our local Adult Services and Aging Specialists who collected the information that is contained in this resource directory.

We hope that you find the directory useful and informative.

Sincerely,

A handwritten signature in cursive script that reads 'Marilyn Kinsman'.
