As application for and acceptance of medical assistance paid from the Department of Social Services shall operate as an assignment and subrogation of any rights to medical support, insurance proceeds, or both that the applicant or recipient may have. Any rights or amounts so assigned or subrogated shall be applied against the cost of the applicant's or recipient's care.

Disclosure of Annuities and State to be named as Remainder Beneficiary

Public Law No. 109-171 Deficit Reduction Act of 2005 Section 6012 requires individuals applying for long-term care medical assistance and an individual whose eligibility is being reviewed for purposes of determining whether the individual continues to be eligible for long-term care assistance to disclose the description of any interest the individual or the individual's spouse has in an annuity or similar financial instrument. Failure to disclose this information results in ineligibility for assistance. In addition, a recipient of long term care assistance must name the department as a preferred remained beneficiary of any interest the individual or individual's spouse has in an annuity or similar financial instrument purchased and owned after February 7, 2006.

Note: The annuity will also be considered a resource.

Privacy Act Statement

Federal and State Law and Regulations limit the use and disclosure of confidential information concerning applicants and recipients of economic and medical assistance programs to purposes directly related to the administration of those programs. When you apply for assistance, you will be asked to provide your Social Security Number (SSN) on the application form. Title 42 of the Code of Federal Regulations Part 435.910(a), requires the furnishing of a SSN as a condition of eligibility for Medicaid. The Department uses your number in its computer processing of eligibility determination, welfare fraud investigation and audits. SSNs are also used to verify income information through agencies such as the IRS, Department of Labor, and Social Security Administration, etc., to prevent a person or family from receiving duplicate benefits under any program, to make mass changes in benefits easier to implement and to determine the accuracy and reliability of information given to the department by applicant for and recipients of assistance.

The provisions of the Civil Rights Act of 1964, as amended, also apply to your case and department representatives shall not, on the grounds of race, color, creed, religion, sex, disability, ancestry, or national origin, exclude you from participation in, deny the benefits of, or otherwise subject you to discrimination under any program or activity administered by the department. Any person who feels that their civil rights have been violated may request a fair hearing. You may also file a complaint by writing DSS Division of Legal Services, 700 Governors Drive, Pierre, SD 57501-2291 or by calling (605) 773-3305

Federal and state officials will verify information given on this form to determine if it is correct. A department representative may contact you or may contact other people in order to verify your eligibility for assistance. Information given will also be verified by computer cross-matching with other agencies and private sectors. When state and federal personnel verify the information on this application, if what is reported is found to be incorrect your Medical case may be denied or terminated and you may be subject to criminal prosecution for knowingly providing false information.

Medicaid Estate Recovery Program

Under Federal and State law, the Department of Social Services is authorized to make recovery from the estates of deceased medical assistance recipients who were permanently institutionalized or who were at least 55 years of age and for whom the Department made a payment for nursing facility services, intermediate care facility services for individuals with intellectual disabilities, other medical institutional services, home and community based services, hospital services, and prescription drug services. The Department of Social Services is authorized to recover the debt of a medical assistance recipient from the estate of a surviving spouse. If a surviving spouse wishes to limit the amount of the surviving spouse's estate that will be liable for recovery for the amount of medical assistance paid on behalf of the recipient, the surviving spouse must file a petition within six months of the death of the medical assistance recipient. The petition will determine the amount of the surviving spouse's estate from which recovery may be claimed for Medicaid expended on behalf of the recipient. The petition must be filed on the Department's form.

Under Federal and State law, the Department of Social Services may impose a medical assistance lien against real property owned by a recipient who has received a benefit from the Department of Social Services for the services of a nursing facility, an intermediate care facility for individuals with intellectual disabilities, or other medical institution. The Department of Social Services will issue a separate notice when the Department decides to impose a lien. The notice will describe the amount of the lien and the real property to which the lien is to attach. Under State law, the Department of Social Services is authorized to recover any funds of the resident kept or maintained by the nursing home or other facility if the resident was receiving medical assistance from the Department at the time of death. Information in regards to the Estate Recovery Program, can be located at <http://dss.sd.gov/keyresources/benefitfraud/estate.aspx>.
