

**Affidavit for Supplemental Nutrition Assistance Program (SNAP)
Work Registrants**

I understand I may be currently exempt from mandatory participation in the SNAP Employment & Training (E&T) Program. However, it has been explained to me that I must follow work registration requirements and that I will not be eligible to receive SNAP benefits if I do not follow the work registration requirements listed below:

- Register to work
- Provide sufficient information of job status and availability
- Accept a suitable job, if offered
- Must continue the job, once hired
- Will not voluntarily reduce job hours.

Although I may not be required to report to the Department of Labor and Regulation (DLR) local office at this time, I understand that they will help me find a job if I contact them. The nearest DLR office is located at:

I agree to report to the DLR local office if directed to do so at a later time. I will accept a suitable job offer whether I receive the offer through a referral from DLR or find a job on my own. If I have good cause to reduce my hours on the job or quit my job, I will first discuss it with my Benefits Specialist to make sure a sanction will not be applied.

Failure to follow the above requirements may result in a loss of SNAP benefits for the following time periods:

- One month for the first occurrence;
- Six months for the second occurrence;
- Twelve months for each occurrence thereafter.

The following members of my household must also follow the above requirements:

I understand and will explain to the above individuals, their work registration responsibilities. If one of the above household members fails to follow the requirements, I understand a loss of SNAP benefits may occur for the appropriate time periods listed above.
