

Parenting Education Partners

Parents, parenting partners, policymakers and community professionals provide families in South Dakota the support and education they need to help them succeed in keeping families strong, safe and healthy. Please see the attached insert for contact information.

Six Protective Factors

Key Elements for Supporting the Well-Being of Children and Families

1. Nurturing and attachment
2. Knowledge of parenting and child development
3. Parental resilience
4. Social connections
5. Concrete supports for parents
6. Social and emotional competence of children

Common Sense Parenting Program

Learn about the most
rewarding & exciting
challenge of your life:
PARENTING

DSS 
Strong Families - South Dakota's Foundation and Our Future

Common Sense Parenting Program

- ✓ Do you have to continue to ask your child to do something, whether it be to pick up their clothes or make their bed?
- ✓ Do you want to learn specific skills and strategies to help you feel more confident and effective in parenting your children?
- ✓ Do you want to learn how to better praise your child?
- ✓ Do you want to use specific skills to help you experience more of the joys of raising children?

If you answered “yes” to any of the above questions, Common Sense Parenting can help you. Common Sense Parenting is a product of years of research compiled by Boys Town.

This program is a proven, step-by-step guide for raising responsible children and provides skills to help parents build strong, healthy families. The South Dakota Department of Social Services’ Division of Child Protection Services offers Common Sense Parenting to help parents make their homes more peaceful, enjoyable and safer for the whole family.

Topics Covered

- ✓ Positive/Negative Consequences
- ✓ Staying Calm
- ✓ Teaching Self-Control
- ✓ Parents as Teachers
- ✓ Preventive Teaching
- ✓ Corrective Teaching
- ✓ Behavior and what it is
- ✓ Discipline and what it is
- ✓ Effective Praise
