Billing NPI Number

Dear South Dakota Medical Assistance Provider: "Important Message - Please Read"

Many providers have submitted their "Individual" National Provider Identification (NPI) Number to the South Dakota Medical Assistance Program (Medicaid). Thank you very much.

Many providers have also applied for and were assigned a "Billing" NPI Number for the entity or corporation of which they are employed. This "Billing" NPI Number is different from the "Individual" NPI Number.

South Dakota Medicaid is requesting providers notify our program, as soon as possible, of this entity or corporation "Billing" NPI Number. Please submit the "Billing" NPI Number to the Division of Medical Services, Provider Enrollment by fax to 605-773-5246 or by e-mail to medical@state.sd.us as soon as possible.

This Billing NPI Number is entered in Box 33A of both the electronic and paper CMS 1500 claim forms and is crucial for system cross-walking to ensure payment is made to the correct South Dakota Medicaid Provider Number.

If you have questions, please call the Telephone Service Unit at 1-800-452-7691. Out of state providers may call 605-773-3495 and ask for the service unit.

Thank you,
Division of Medical Services
