

2010 DISPROPORTIONATE SHARE HOSPITAL PROGRAM  
Payments to Qualifying Hospitals Per Multiples of Standard Deviations Above the Mean

**To Group 1 Hospitals:**

If the qualifying hospital's disproportionate share rate is---	
-Greater Than the Mean Rate To Less Than 1 Standard Deviation Above the Mean	\$19,073.41
-1 Standard Deviation Above the Mean To Less Than 2 Standard Deviations Above the Mean	\$38,146.82
-2 Standard Deviations Above the Mean To Less Than 3 Standard Deviations Above the Mean	\$57,220.24
-3 or More Standard Deviations Above the Mean	\$76,293.65

**To Group 2 Hospitals:**

If the qualifying hospital's disproportionate share rate is--	
-Greater Than the Mean Rate To Less Than 1 Standard Deviation Above the Mean	\$100,000.00
-1 Standard Deviation Above the Mean To Less Than 2 Standard Deviations Above the Mean	\$250,000.00
-2 Standard Deviations Above the Mean To Less Than 3 Standard Deviations Above the Mean	\$500,000.00
-3 or Standard Deviations Above the Mean	\$751,299.00

**To Group 3 Hospitals:**

If the qualifying hospital's disproportionate share rate is--	
-Greater Than the Mean Rate To Less Than 1 Standard Deviation Above the Mean	\$250.00
-1 Standard Deviation Above the Mean To Less Than 2 Standard Deviations Above the Mean	\$500.00
-2 Standard Deviations Above the Mean To Less Than 3 Standard Deviations Above the Mean	\$750.00
-3 or More Standard Deviations Above the Mean	\$1,000.00
