Instructions

Yankton recipe

Order bonless pork choops or cutlets, cut to approximately 4 oz each.

Mix flour and pepper. Dredge the cutlets in the flour/pepper mixture. Place single layer on sheet pans, bake at 350 degrees F for 15 minutes or until brown. Remove cutlets from oven and arrange in counter pans. Prepare a celery white sauce by sauteeing the celery in the margarine, stirring the flour in and cooking to a bubbly paste. Heat milk and slowly add the hot milk to the paste, stirring constantly until a cream soup consistency. Pour evenly over cutlets, cover pans and continue to bake for 1 hour or until tender.

Serve 1 cutlet/serving.
