South Dakota Opioid Settlement

FY27 Funding Opportunities

Treatment & Recovery for Justice-Impacted Individuals

HOW TO APPLY
Request for Proposal
Opens November 9, 2026

20% of FY27 statewide share

MOUD and wraparound services before, during, and/or after incarceration to prevent overdose, reduce recidivism, and sustain recovery.

Eligible: County jails, DOC, UJS, drug court programs, intervention programs, or other recovery support providers working with justice-impacted individuals

Examples: MOUD equipment and supplies, screening tools, transportation vouchers, referral infrastructure, care coordination, workforce development

Treatment & Recovery Continuum of Care

HOW TO APPLY
Request for Proposal
Opens November 9, 2026

25% of FY27 statewide share

Close treatment gaps by expanding MOUD capacity, recovery housing, and care pathways into sustained community recovery.

Eligible: Medicaid-enrolled providers and other accredited/licensed direct service organizations

Examples: Recovery housing infrastructure, mobile treatment units, case management software, evidence-based treatment supports, workforce development

Critical Infrastructure Investments

HOW TO APPLY
Request for Proposal
Opens November 2, 2026

10% of FY27 statewide share

Make community social supports accessible and sustainable as a first step toward recovery.

Eligible: Community-supported common entry portals serving individuals with limited social supports

Examples: Core service delivery capacity so treatment, recovery support, and overdose response services aligned with Settlement Agreement approved uses are available locally

Evidence-Based Prevention Programs

HOW TO APPLY
Request for Proposal
Opens November 2, 2026

10% of FY27 statewide share

Coordinated community action plans to reduce opioid misuse, with a focus on youth and parents or caregivers.

Eligible: Prevention and intervention training programs

Examples: SAMHSA SPF-aligned curricula, family-skills training, provider and first responder training, digital prevention tools, stigma-reduction campaigns

Support for Local Community Needs

HOW TO APPLY
Online Application Form
Opens November 2, 2026

21% of FY27 statewide share

The Local Needs Community Grant Program funds community-based projects that build on local share resources.

Eligible: Non-profit providers, Medicaid-enrolled providers, community organizations, and counties

Key Requirements: Projects must (1) demonstrate opioid abatement; (2) show collaboration without duplication; (3) have a defined scope of work; and (4) include identified measures of success.

OPPORTUNITIES OPEN BEGINNING

November 2

Guided by the FY27–FY30 Opioid Settlement Strategic Plan, the Department of Social Services and the SD Opioid Advisory Committee are investing South Dakota's statewide share of National Opioid Settlement funds in prevention, treatment, and recovery through several opportunities.

$12,000,000

Total FY27 statewide share budget

What We Look For

Alignment with priorities as established through statewide needs assessment

Collaborative Development with civic leaders, law enforcement, providers, public health, schools, and recovery networks.

Data & Outcome Measures that fit the scale of the project, with ongoing monitoring.

Statewide Impact that reaches all populations and communities.

Program Evaluation that shows progress, accountability, and impact.
