

SBIRT VIRTUAL TRAINING SERIES

The South Dakota Department of Social Services, Division of Behavioral Health, in partnership with Avera Health and JBS International are sponsoring a free, virtual learning series of Screening, Brief Intervention, Referral to Treatment (SBIRT). Participation in live presentations may be eligible for Continuing Education Credits (CEUs). This virtual series will be directly interactive for clinics awarded a Legacy Cohort grant and will be available for Medical and Mental Health professionals to participate in real-time. Specific dates and times beyond the first session will be updated soon.
