CC: Muriel J. Nelson  
Division of Community Behavior Health Services  
Department of Social Services

The purpose of this survey was to evaluate the operation and determine compliance with South Dakota Administrative Rules. The facility was found in compliance with the above listed codes.

\*Technical assistance was also given during the survey to include the:

- The raw wood supports in the pantry should be painted to ensure they are cleanable.
- The apples, grapes, and pears should be wrapped/covered to ensure safe food handling practices.
