Re: Dakotah Pride Center Chemical Dependency Center

Dear Mr. Bird:

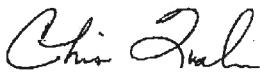

On March 23, 2021, the South Dakota Department of Health, Office of Health Care Facilities Licensure & Certification conducted a survey of your inpatient chemical dependency facility for compliance with state rules. This visit found deficiencies whereby corrections were required.

We are accepting your plans of correction for the deficiency.

The documentation you submitted is also adequate to correct the deficiency cited. Based on the information submitted, your inpatient chemical dependency treatment facility has been found in substantial compliance with all state licensure requirements.

If you have any questions relating to the survey, feel free to contact Jim Bailey at the Office of Health Care Facilities Licensure & Certification at (605) 367-5434.

Sincerely,

Chris Qualm, Administrator

National Fire Protection Association Code 101 Life Safety Code, 2012 Edition,
Chapters 1-10 inclusive and chapter 33

CC: Muriel J. Nelson, Department of Social Services, Division of
Community Behavioral Health

INTRODUCTION

Enclosed please find the list of deficiencies relating to state rules identified because of the March 23, 2021, survey of your facility by the above surveyor from this office.

The purpose of this visit was to survey the facility and make an evaluation of the operation and to determine its compliance with South Dakota Administrative Rules.

We request that you provide this office with your plan of correction stating the completion date for the corrections, the corrective action you have taken, or the plan of correction that you intend to make. **The plan must be submitted to our office by April 16, 2021.** Please refer to the enclosed Plan of Correction Guidelines in completing your own plan and retain a copy of the correction plan for your own records.
