The accreditation results are derived from an administrative score which includes the scoring of policies and procedures. The level of accreditation status is based on the overall accumulative score.

AGENCY SUMMARY:

Michael Glynn Coalition is a non-profit Prevention agency located in White River, SD. The agency is seeking to renew accreditation for their prevention services.

Michael Glynn Coalition was established in the summer of 2008. In the beginning the mission statement was to “provide education opportunities for youth and young adults to stay or become alcohol free”. The coalition has grown and now includes tobacco, drug use and suicide.

Michael Glynn Coalition has one staff, Joyce Glynn. Joyce is passionate about prevention because this coalition was started due to the tragic loss of her son Michael in an alcohol-related accident.

AREAS OF STRENGTHS:

Description: The following areas were identified as areas the agency demonstrated substantial competency to administrative rules:

Michael Glynn Coalition's director Joyce has established a thorough policy and procedure manual. Joyce is very detailed and organized in the records that she keeps.

AREAS OF RECOMENDATION:

Description: The following areas were identified as areas that the agency is recommended to review and ensure that the areas are corrected. The areas identified met minimum standards which would not require a plan of correction at this time. However, there are areas that, if continued to be found on the next accreditation review, could become future areas of non-compliance requiring a plan of correction.

There are no areas of recommendations.

AREAS REQUIRED FOR PLANS OF CORRECTION:

Description: The following areas will require a plan of correction to address the rules of non-compliance which shall include an updated policy and/or procedure, a time frame for implementation of this procedure, the staff position or title responsible for implementation and the staff position or title responsible for ensuring continued compliance of these rules.

There are no plans of correction.

PRIOR AREAS REQUIRING A PLAN OF CORRECTION:

Description: Michael Glynn Coalition was last reviewed by the Department of Social Services, Office of Licensing and Accreditation on September 2018. The 2018 review identified no areas of recommendations and one area requiring a plan of correction. Michael Glynn Coalition resolved the one prior area requiring a plan of correction.
