Re: Volunteers of America, Dakotas

Dear Ms. Hartman:

On September 24, 2018, the South Dakota Department of Health, Office of Health Care Facilities Licensure & Certification conducted a survey of your inpatient chemical dependency facility for compliance with state rules. This visit found deficiencies whereby corrections were required.

We are accepting your plans of correction for the deficiencies. Please notify this office at (605) 773-3356 if you are unable to correct the deficiencies as outlined in your plan of correction.

If you have any questions relating to the deficiencies, contact Jim Bailey at the Office of Health Care Facilities Licensure & Certification at (605) 367-5434.

Sincerely,

Chris Qualm, Administrator

INTRODUCTION:

Enclosed please find the list of deficiencies relating to state rules identified as a result of the September 24, 2018 survey your facility by the above surveyor from this office. The purpose of this visit was to survey the facility and make an evaluation of the operation and to determine compliance with South Dakota Administrative Rules.

We request that you provide this office with your plan of correction stating the completion date for the corrections, the corrective action you have taken, or the plan of correction that you intend to make. Please use the space following each deficiency for providing the plan and completion date. **The plan must be submitted to our office by November 11, 2018.** Please refer to the enclosed Plan of Correction Guidelines in completing your own plan and retain a copy of the correction plan for your own records.

Deficiencies:

1. The fire extinguishers had not been inspected monthly throughout the facility.

Plan of Correction:

• Our 2 Lead Life Skill Educators have been assigned to check the extinguishers monthly & sign off.
