Dear Ms. LaFortune:

On November 15, 2023, the South Dakota Department of Health, Office of Licensure & Certification conducted a compliance survey of your inpatient chemical dependency facility for compliance with state rules. This visit found deficiencies whereby corrections were required.

We are accepting your plans of correction for the deficiencies. Please notify this office at (605) 773-3356 if you are unable to correct the deficiencies as outlined in your plan of correction.

If you have any questions relating to the deficiencies, contact Jim Bailey at the Office of Health Care Facilities Licensure & Certification at (605) 367-5434.

Sincerely,
