

Online Child Care Provider Monitoring and Inspections

The results of child care provider inspections are available on the Child Care Services website to assist families in making informed choices when choosing a child care provider. This site includes results from annual monitoring inspections and results from substantiated complaint inspections.

Start the process by clicking on the [searchable database link](#) to find a child care provider.

Once in the Searchable Database,

1. Search for a provider by type of provider, name, city, county or zip code;
2. Click on the provider's name in order to enter the provider information page;
3. At the bottom of the provider information page, click on *Inspection and Compliance Information* to find the latest inspection.

The posting of inspections began in February 2018. Only those inspections that have been completed since February 2018 will appear on this site.
