South Dakota Early Childhood Enrichment Ongoing Health & Safety Training Level II

Welcome to South Dakota ECE Ongoing Health and Safety Training Level II.

The Level II online, on-demand series is designed to meet ongoing training requirements for staff working in state licensed and registered child care programs who have completed the Level I SD Orientation to Child Care training series. The Level II training is to be taken within 5 years of employment or Level I orientation training as long as it was taken within the first 90 days of employment.

Classes in the Level II Training briefly review content from the 13 topic areas covered in the Level I SD Orientation classes as well as take a deeper look into each area. Completion of these classes will count towards your annual licensing training hours. Please follow the directions below to create an account and enroll in the self-paced training.
