Medicaid Primary Care And Health Home Program Selection

You and (or) your family members have just become eligible for Medicaid Primary Care Provider Program. (PCP) Please take the time to read and the South Dakota Medicaid Recipient Handbook and complete the form below. You need to select a Primary Care Provider from the enclosed provider list. Contact your local Department of Social Services office if you want to select a provider from outside your geographical area.**NOTE:** All PCP eligible family members do not have to choose the same Primary Care Provider.

I understand:

- I understand that I MUST choose one Primary Care Provider for each eligible Medicaid PCP family member by completing the section below AND returning the completed form to the Department of Social Services.
- If I do not choose a Primary Care Provider, the State Medicaid Program will choose a Primary Care Provider for me and all other Medicaid PCP eligible family members.
- Providers with an "*" next to their name have a full caseload. If the provider you are choosing has a full caseload you must get written approval from the provider and submit the written statement with this selection form. If you do not get written approval, you will need to select a different provider.
- I understand that I may change my Primary Care Provider at any time. All requested changes will become effective the 1st of the next month.
- If you would like to receive reimbursement for travel to your PCP, please choose the closest PCP that can provide the services needed or your travel request may be denied.
- **Please complete and return this Selection Form within TEN days of the receipt of this notice.**

select this checkbox to accept the above conditions and proceed to the selection information.

Step 1 Enter Recipient ID and click Verify: *
