MEDIA CAMPAIGN MATERIALS

Campaign materials include a website, social media, and PSAs, as well as print materials, such as brochures, business cards, and display materials.

STRATEGIES

- Broadcast PSAs and other forms of media statewide, including video testimonials featuring South Dakotans with lived experience and feature stories regarding treatment approaches and access.
- Deliver targeted messaging for American Indian youth and adults regarding the dangers of opioid misuse, airing on the GoodHealthTV® Health Network.
- Promote opioid awareness and education using aggressive, targeted social media strategies.
- Develop a statewide opioid education and prevention website and share relevant, up-to-date information.

To learn more about prevention activities within your community, please contact DSS, Division of Behavioral Health at 605-367-5236.

If you or someone you know is struggling with opioid addiction - don’t wait. Reach out.
