APPLICATION FOR ADDICTION COUNSELOR TRAINEE RECOGNITION

INITIAL RECOGNITION: Applicants must have a minimum of a high school diploma or general education diploma (GED) and be employed by or volunteer for an agency to participate in activities related specific to the alcohol and drug counselor domains to include the 12 core functions. High school and/or college transcripts must be submitted with your initial trainee recognition application (unofficial transcripts are acceptable at this time). The initial recognition fee is prorated at a rate of $12.50 per month from the month of the application to the last day of the month of your birth. Please calculate the fee beginning with the month of application to the month of your birth. Example: If an individual applies for trainee recognition in June and has a birth month of December, the payment would be $87.50 ($12.50 x 7).

RENEWAL: After the initial recognition period, trainees will renew their recognition annually in their birth month. You will be sent a renewal notice and invoice the month prior to your renewal date. The annual renewal fee is $150.00 and must be received in the BAPP Administrative Office (or postmarked) by the last day of your birth month. In order to insure all information is received, the BAPP recommends you submit your renewal application and fee prior to this deadline.

FAILURE TO RENEW BY THE DEADLINE: Any trainee who fails to submit the renewal application and fee by the deadline loses recognition status and may not be identified as an addiction counselor trainee. Any trainee who has allowed their status to lapse may have it restored within 15 days of the expiration date, providing they request reinstatement, submit the renewal application and all applicable documentation, and pay the $150 reinstatement fee and the $150 renewal fee. Any trainee wanting to regain status after the 15-day reinstatement period must successfully complete three of the required courses for either CAC or LAC before being allowed to reapply for recognition status.

APPLICATION: Complete the application in its entirety; do not leave information blank or attach separate sheets indicating “see attached”. Return the application with the required fee (see above) to: BAPP, 3101 West 41st Street, Suite 205, Sioux Falls, SD 57105. Trainees must be supervised by a qualified addiction professional throughout the entire recognition period and must adhere to all applicable ethical standards adopted by the BAPP. (Note: The supervisor cannot be a relative of the trainee.) Trainees who continue to work without trainee status will be reported to the Ethics Committee. Therefore, it is imperative you renew your trainee status prior to the expiration date on your certificate.

Trainee Recognition status will be granted for up to five (5) years. Trainees must meet all academic and work experience requirements for either Certified Addiction Counselor (CAC) or Licensed Addiction Counselor (LAC) and successfully pass the examination before their 5-year recognition period ends.

Applicants shall be denied status if they fail to provide accurate and complete information on this application; or, if convicted of, pled guilty or no contest to, and/or received a suspended imposition of sentence for a felony offense within 5 years of the date of application. All sentencing requirements must be completed or satisfied prior to the date of application.

The BAPP is required to comply with SDCL 25-7A-56 which is a prohibition against the issuance of professional license, registration, certification, or permit of application in the event of child support arrearage. Applicants listed on the State Registry will not be granted Trainee Recognition, Certification, Licensure, or Renewal until arrangements have been made with the Department of Social Services, Office of Child Support Enforcement and the individual’s name is cleared via monthly written reports from that office.

If you have any questions or need additional information, please feel free to contact the BAPP Administrative Office.

Professional Code of Ethics

The Code of Ethics and Standards of Practice can be viewed and/or printed at: www.dss.sd.gov/bapp

The Professional Code of Ethics applies equally to all Certified Addiction Counselors, Licensed Addiction Counselors, Certified Prevention Specialists, Trainees, and individuals in the process of applying for certification, licensure, or trainee recognition. The Board of Addiction and Prevention Professionals (BAPP) believes that all people have rights and responsibilities through every stage of human development. The goal of the BAPP is for addiction and prevention professionals to treat everyone with the dignity, honor, and reverence that is fitting to them.

The Professional Code of Ethical Conduct entitles human beings to the physical, social, psychological, spiritual, and emotional care necessary to meet their individual needs. The BAPP’s ethical codes and standards identify the ethical responsibilities of the profession. The Code details and establishes, although not exhaustive, those principles that form the standards of ethical behavior of any individual certified, licensed, or recognized by the Board.

The Code will set the basis for the reception of and processing of those allegations related to breaches of acceptable standards, practice, and behavior.

Private conduct is a personal matter, except when such conduct compromises the fulfillment of professional responsibilities or may endanger the health or safety of clients who are or may be under your care. When there is evidence that another professional is violating an ethical standard, whether obvious or perceived, you have a responsibility to report the unethical conduct to the BAPP.

I understand and subscribe to the professional Code of Ethics and understand that any violation of the principles will be grounds for disciplinary action and sanctions.

☐ By checking this box, I hereby attest that I have read and will comply with the Code of Ethics and Standards of Practice of the Board of Addiction and Prevention Professionals.

This application will not be processed if you fail to read the Code of Ethics and have not checked the box above.
