Application for Disability Accommodations
Form ADA (2001)
South Dakota Board of Examiners of Psychologists

The Application for Disability Accommodations, Form ADA, is to help the state psychologist board determine (1) whether you are a qualified disabled individual under applicable state or federal law, and (2) whether the accommodation you are requesting is reasonable. Consideration of all requests will be made under applicable laws, including the Americans with Disabilities Act.

Part I: The information requested on Part I of the form is self-explanatory. You are not required to furnish your social security number, but this information would be most helpful in identifying you and relating Form ADA to other parts of your examination application. After you have completed Part I, Form ADA should be dated and signed by you and notarized by a Notary Public in your jurisdiction.

Part II: Part II of Form ADA should be completed by your health care practitioner or other appropriate professional and signed and dated where indicated.

Submission of the Form: This form must be submitted before the state board can make a decision on any examination accommodations requested.

Please consult with the board to determine the appropriated application process and relevant deadlines.

A submitted Form ADA will remain valid for one year from the date when executed by the applicant. A valid Form ADA should be considered for any examination occurring within this one-year period provided the candidate makes a request for consideration prior to the examination date. Forms not fully completed will be returned to the applicant.

Questions may be directed to the board at 605-642-1600. Please submit Parts I and II of Form ADA at the same time. Under any circumstances, it is recommended that you retain a copy of this form for your records.
