MEDICAID BENEFICIARY ADVISORY COUNCIL

HELP SHAPE THE FUTURE OF MEDICAID IN SOUTH DAKOTA

The South Dakota Department of Social Services (DSS), Division of Medical Services (Medicaid), is seeking dedicated individuals to serve on the Medicaid Beneficiary Advisory Council (BAC). This council plays a crucial role in advising the State Medicaid agency on policy development and the effective administration of the South Dakota Medicaid Program.

Why Should You Apply?

Serving on the Medicaid Beneficiary Advisory Council offers a unique opportunity to provide input on the future of Medicaid in South Dakota. As a member, you will:

- **Advise on Policy Development:** Provide feedback and recommendations on Medicaid policies and communications.
- **Be a Voice for Beneficiaries' Experience:** Represent the perspectives and needs of Medicaid beneficiaries to the Medicaid Advisory Committee (MAC) and Medicaid Agency.
- **Help Strengthen Families:** Contribute to the DSS mission of strengthening families to promote health, wellbeing, and independence.

Key Responsibilities:

- **Quarterly Meetings:** Attend and actively participate in quarterly meetings of the Medicaid Beneficiary Advisory Council.
- **Collaboration:** Work alongside other dedicated members to enhance the effectiveness of the Medicaid program in South Dakota.
