Assisted Living Centers will be assessed for compliance with the HCBS Settings Final Rule based on seven Key Concept Areas including Location, Living Arrangements, Privacy, Dignity and Respect, Physical Accessibility, Autonomy, and Community Integration.

These scheduled webinars are intended to provide education to Assisted Living Providers about the Key Concept Areas and the requirement for Provider compliance under the HCBS Setting Final Rule. Providers must be in full compliance with the HCBS Setting Final Rule by **March 17, 2019**.

All webinars will be held from 1:30 – 3:00 PM (CST) on the “Provider Education Date” listed above.
