S25

42 CFR 435.110
1902(a)(10)(A)(i)(I)
1931(b) and (d)

- Parents and Other Caretaker Relatives** - Parents and other caretaker relatives of dependent children with household income at or below a standard established by the state.

The state attests that it operates this eligibility group in accordance with the following provisions:

- Individuals qualifying under this eligibility group must meet the following criteria:

- Are parents or other caretaker relatives (defined at 42 CFR 435.4), including pregnant women, of dependent children (defined at 42 CFR 435.4) under age 18. Spouses of parents and other caretaker relatives are also included.

The state elects the following options:

- This eligibility group includes individuals who are parents or other caretakers of children who are 18 years old, provided the children are full-time students in a secondary school or the equivalent level of vocational or technical training.

Options relating to the definition of caretaker relative (select any that apply):

Options relating to the definition of dependent child (select the one that applies):

- The state elects to eliminate the requirement that a dependent child must be deprived of parental support or care by reason of the death, physical or mental incapacity, or absence from the home or unemployment of at least one parent.

- The child must be deprived of parental support or care, but a less restrictive standard is used to measure unemployment of the parent (select the one that applies):

- Have household income at or below the standard established by the state.

- MAGI-based income methodologies are used in calculating household income. Please refer as necessary to S10 MAGI-Based Income Methodologies, completed by the state.
