

TRANSPORTATION ASSURANCE

When no other means of transportation is available for a client to get to and/or from a medical provider, Department of Social Services employees will transport the client.

TRANSPORTATION

Ambulance service will be provided where the use of other methods of transportation is contraindicated by the individual's condition, but only to the extent provided in Federal regulations. Other necessary transportation to and from providers of medical services will be made available through the Division of Human Development, for recipients unable to provide suitable resources for themselves.
