Please follow the same requirements that are required on a paper claim submission. https://dss.sd.gov/medicaid/providers/billingmanuals/
2. Am I able to scan in a claim and have it auto-populate fields?
   a. No, all data will need to be typed in for every claim submitted.

   a. This is currently not an available function but has been added for development at a later date.

4. Am I allowed to see what others in my department have been working on for the provider’s NPI?
