Status Updates

- Doula are now able to enroll in South Dakota Medicaid.
- Doula services will be covered effective January 1, 2025.

Medicaid Coverage Basics

General Coverage Basics

- Providers must be enrolled with Medicaid to bill for services.
- Recipients must be eligible for Medicaid on the date of service.
- Services must meet coverage criteria.
- Services must be appropriately documented. Services that are not documented are considered non-covered and subject to payment recoupment.
- Medicaid payment is considered payment in full. You cannot bill a recipient for an amount in addition to the Medicaid payment.
- You must bill Medicaid at your usual and customary rate. This is the rate that you would charge the general public for a service.
- Claims must be submitted within 6 months of the service being provided.

Key Resource: Refer to the general requirements provider manuals.

<https://dss.sd.gov/medicaid/providers/billingmanuals/>

Doula Coverage

Disclaimer

- Coverage information included in this presentation is an overview for educational purposes.
- Official Medicaid policy will be detailed in the Doula Services provider manual. This will be posted on our website soon. Doulas should review the provider manual for full coverage details.

<https://dss.sd.gov/medicaid/providers/billingmanuals/default.aspx>

Doula Credentialing

Doulas will be required to be credentialed through an oversight body recognized by South Dakota Medicaid that also provides regulatory oversight of the profession. As a temporary bridge to credentialing by a recognized oversight body, South Dakota Medicaid will recognize the following doula credentialing for enrollment purposes:

- BirthWorks International;
- Childbirth and Postpartum Professional Association (CAPPA);
- Childbirth Professionals International;
- Doula Trainings International;
- DONA International;
- International Childbirth Education Association (ICEA) – Dual Certificate Only;
- MaternityWise – Labor Doula and Full Doula; or
- Birthing Advocacy Doula Training – Full Spectrum Doula

Recipient Eligibility Criteria

Doula services are covered for recipients in the following circumstances:

A pregnant woman who has full Medicaid coverage or is eligible through the Unborn Children Prenatal Care Program is eligible for doula services.

Doula services may only be billed for recipients with a pregnancy confirmed by a medical provider. The initial doula prenatal visit may occur prior to pregnancy confirmation, but the confirmation is necessary for the service to be billed.

Postpartum doula services may be provided up to 365 days after the end of the pregnancy contingent upon the recipient maintaining eligibility for South Dakota Medicaid.

Referral Required

Referral Requirements

- Require referral by a physician, physician assistants, certified nurse practitioners, or certified nurse midwife with whom the recipient has had a face-to-face or telemedicine visit within the last 90 days.
 - Referral by the care management program provider (BabyReady, Primary Care Provider Program, or Health Home Program) if applicable
- At the licensed practitioners discretion referrals may be made retroactive up to 60 days from the date the provider makes the referral.

Prenatal Support Services

The following prenatal doula services are covered and may be counted towards billable service time:

- Promoting health literacy and knowledge;
- Answering questions about birthing options to help recipients make informed decisions;
- Assisting with the development of a birth plan;
- Assisting recipient with the development of postpartum plans;
- Assisting recipients with how to communicate effectively with their healthcare providers;
- Supporting personal and cultural preferences around childbirth;
- Providing emotional support and encouraging self-advocacy;
- Providing evidence-based information associated with positive health outcomes; and
- Time spent with the recipient collecting intake information and developing the initial doula service plan.

Labor and Delivery Support Services

Doulas must provide the following services during the labor and delivery for the service to be billable:

- Providing physical comfort measures;
- Providing emotional support including continuous reassurance and encouragement;
- Helping empower recipients to advocate for their needs; and
- Being an active member of the birth team.

Postpartum Support Services

The following postpartum doula services are covered and may be counted towards billable service time:

- Providing emotional support and encouraging self-care measures;
- Assisting recipients with how to communicate effectively with their healthcare providers;
- Providing evidence-based information associated with positive health outcomes;
- Educating the recipient regarding newborn care, nutrition, and safety, including safe sleep habits; and
- Time spent with the recipient collecting intake information and developing the initial doula service plan if services are not initiated until the postpartum period.

Care Coordination Services

Doulas will assist all recipients they serve with the following care facilitation services:

- Helping the recipient choose a healthcare provider if care has not been established;
- Helping the recipient schedule prenatal or postpartum care appointments, encouraging them to attend appointments, and helping them problem-solve barriers that may impede attendance;
- Promoting and referring recipients to Department of Health pregnancy-related programs including Bright Start, Pregnancy Care, and WIC programs;
- Helping the recipient pick a primary care provider for the baby;
- Helping the recipient schedule well-child check-ups, encouraging them to attend appointments, and helping them problem-solve barriers that may impede attendance; and
- Providing information about community-based support services to address health-related social needs including transportation, housing, food insecurity, personal safety, and employment and helping them connect to those resources.

Intake Requirements

Intake Information

- As part of the first visit with the recipient, the doula must collect intake information with the recipient interested in receiving doula services. The information collected must include the following information:
 - Recipient's name, date of birth, and Medicaid ID number;
 - Contact information;
 - Household member's names, if applicable;
 - Support people and their relationship to recipient;
 - Previous pregnancies and delivery methods;
 - Estimated due date;
 - Healthcare provider;
 - Prenatal/postpartum medical care status;
 - Planned birthing location;
 - Health-related social needs including transportation, housing, food insecurity, personal safety, and employment; and
 - Physical or emotional concerns.
- Doulas can use the method of their choice to collect the information and can collect information beyond the stated list.

Service Plan Requirements

Service Plan

Doulas must develop a service plan specific for each individual served. Service plans must include the following items:

- Recipient's name and Medicaid ID number;
- Healthcare provider and contact information;
- Goals the doula will help the recipient achieve such as addressing health literacy knowledge, emotional or physical supports needed, newborn care supports, and health-related social needs;
- Progress notes for each date of service documenting progress made towards goals;
- Community resources the recipient was referred to;
- List the specific services required for meeting the written objectives;
- The date when plan was originally created;
- The date the plan was last updated/reviewed.

Services Limits

Service Limits

- Doula services are limited to \$1,800 per recipient in an 18 month period.
- The doula must be physically present during labor and delivery to bill for this service.
- Other doula services may be provided face-to-face, via telemedicine, or via two-way audio-only when the recipient does not have access to audio/visual telemedicine technology. The limitation necessitating audio-only services must be documented in the recipient's record.
- One labor and delivery care visit is covered per recipient, per pregnancy.
- Labor and delivery services must be provided in conjunction with prenatal and/or postpartum doula services.
- See the provider manual for additional coverage information.

Reimbursement

Reimbursement

- T1032 – Prenatal, postpartum, or care coordination services
 - Maximum reimbursement is \$16.87 per 15 minute unit
- T1033 – Labor and delivery services
 - Maximum reimbursement is \$600

Reminder: Services must be billed at the provider's usual and customary rate.

Billing Time Units

Calculating the Number of Units to Bill

T1032 is a 15 minute unit time based code. When billing using this code, providers must abide by the following guidelines:

- Time is the time spent with a recipient delivering a covered service;
- A unit of time is attained when the mid-point is passed.
 - For example, a 15 minute unit is attained when 8 minutes of services have been provided.
- Time spent providing services to a recipient is cumulative for single date of service.
 - For example, if 8 minute of service is provided in the morning and another 8 minutes in the afternoon, 16 minutes of service has been provided and only 1 unit should be billed.

Documentation

- Doulas must maintain records documenting each service billed to Medicaid that contains the following:
 - Type of service performed;
 - Summary of the service provided;
 - Recipient receiving the services;
 - Date of the service;
 - Start and end time of the service;
 - Location of the service including delivery method;
 - Name of the doula providing the service; and
 - Doula's signature.
- Doulas must also maintain
 - A copy of the intake forms for each recipient; and
 - Doula service plan for each recipient.
- It is recommended that the doula obtain a signed and dated statement/form from the recipient that indicates services were provided on that date.

Record Retention: Records must be retained for at least 6 years after the last date a claim was paid or denied.

Key Resource: Documentation and Record Keeping Provider Manual

https://dss.sd.gov/docs/medicaid/providers/billingmanuals/General/Documentation_and_Records.pdf

Non-Covered Services

Non-covered doula services include:

- Services that are not listed as covered in the provider manual;
- Services that are not documented;
- Any services requiring medical or clinical licensure;
- Travel time and mileage;
- Respite care;
- Services provided via text message, email, or other forms or written communication;
- Services provided 30 days after initial doula service was provided if a service plan has not been completed;
- Services provided by a doula that are being billed for or reimbursed under another Medicaid benefit. For example, time spent delivering a doula service cannot also be billed under the Community Health Worker benefit; and
- Transportation of recipients.

Summary of Key Coverage Points

- Provider must be enrolled in Medicaid.
- Recipient must be enrolled in Medicaid and meet coverage criteria.
- Only time spent delivering covered services as described in the provider manual is billable.
- Doulas must collect specified information as part of the intake process.
- Services must be delivered according to a service plan. The service plan must include the required elements.
- Services must be properly documented.

Summary of Key Billing Policies

- Medicaid payment is considered payment in full. You cannot bill a recipient for an amount in addition to the Medicaid payment.
- You must bill Medicaid at your usual and customary rate. This is the rate that you would charge the general public for a service.
- Claims must be submitted within 6 months of the service being provided.

Credentialling and Enrollment

Doula Enrollment

- Enroll in three easy steps
- To learn more about provider enrollment, click this link on our webpage:

Obtain an NPI

Register in the Provider Enrollment Portal

Complete Enrollment Application

Obtain an NPI

- National Provider Identifiers (NPIs) are issued by the Centers for Medicare and Medicaid services through NPPES (National Plan & Provider Enumeration System)
- All doulas will need a “Type 1” NPI
- If you are intending to be paid directly to your social security number (non-incorporated, sole proprietor), you will only need a Type 1 NPI.
- If you are establishing/incorporating a business and obtaining a Federal Employer Identification Number (FEIN) through the IRS, you will need to obtain a Type 2 NPI *and* a Type 1 NPI
 - This includes incorporated entities such as Inc, PC, LLC, Non-profits, etc
 - Payments will be made to the entity/organization to the FEIN, and in turn the organization will pay the employee

Online Links	<u>NPPES Help Desk</u> (9am to 5pm Eastern):
NPPES How to Apply NPPES FAQs	By Phone: <ul style="list-style-type: none">• 1-800-465-3203 (NPI Toll-Free)• 1-800-692-2326 (NPI TTY for the deaf, hard of hearing or those with speech difficulties) By Email: customerservice@npienumerator.com

Register in the Provider Enrollment Portal

After receiving your NPI, register in the Provider Enrollment Portal:

Only Billing NPIs must register

- Billing NPIs are those to which payments will be made:
 - Type 1 NPI for the sole proprietor
 - Type 2 for incorporated entities
- The first individual to register the Billing NPI will have administrative control over the enrollment record, called a “Provider Admin”.

Registration Resources

- [Registration Recorded Training](#)
- [User Guide](#)
 - Pages 8-11
- [Login/Logout Recorded Training](#)
 - User Guide Pages 12-15
- Screen snips on upcoming slides

- Clicking this icon on the DSS website will lead you to the online Provider Enrollment Portal

How to Register using the Online Provider Enrollment Portal :

- Navigate to dss.sd.gov/Medicaid
- Hover over “Medicaid” and select “Providers”
- Select Provider Enrollment Portal

The screenshot displays the South Dakota Department of Social Services website. The header includes the DSS logo, the text "South Dakota Department of Social Services", and the tagline "Strong Families - South Dakota's Foundation and Our Future". Social media icons for Facebook, Twitter, YouTube, Instagram, and LinkedIn are present, along with a "We're Hiring" button and a "Cabinet Secretary Matt Althoff" button. A search bar and a language selection dropdown are also visible. The main navigation menu includes links for Home, How Do I..., Behavioral Health, Child Care, Child Protection, Child Support, Economic Assistance, Medicaid, and Licensing Boards. The central banner features the "SD BEHAVIORAL HEALTH" logo and the text "Take Note: Help is Here Start the conversation around behavioral health." Below this, there are several interactive elements: a "Start Here" button, a "Contact us" button, and an "Apply Online" button. A "Find your local office" button is also present. A "News" icon and a "Forms and Publications" icon are also visible. At the bottom, there are sections for "Recent News" and "Key Resources".

Register:

After clicking the provider enrollment portal, the following page will display

South Dakota Medicaid Provider Enrollment

Welcome to South Dakota Medicaid Provider Enrollment.

A valid username and password is needed for Provider Enrollment.

Provider Enrollment username and passwords must be set up separately from the Medicaid Portal login information.

For assistance with username and password, contact your administrator.

For more help contact the State at SDMedicaidPE@state.sd.us

LOGIN

(Note: This is your login email)

[Login](#) [Register](#) | [Forgot Password](#)

[Click "Register"](#)

Register:

After clicking “register”, complete the fields below for the individual who will be managing the enrollment record. Once complete, click submit.

The email address must be a person-specific email and not a shared email.

Note: SD Medicaid recommends at least two users have access to the record should one user leave. After registration approval, Provider Admins can add other users or admins.

NPI Enrollment

After Registration is complete, and you've received your approval email, review enrollment resources, gather necessary information, and documentation. Begin with the Billing NPI enrollment.

Preparation

- Review the [Provider Enrollment Page](#)
 - These pages contains helpful information and requirements for enrollment.
 - Training Videos are located under "Provider Enrollment Portal" and "Training"
- Page 31 of the [User Guide](#) provides detailed steps of required information.
- Note: the earliest enrollment request date is January 1, 2025.

Documents Required

- [Provider Agreement](#)
- [Disclosure Form](#)
- Copy of active Doula certificate from approved certifying body *(for individuals)*
- Bank Letter *(for billing providers)*

Enrollment Data Required

For a complete overview of all data required, review the User Guide beginning on page 31

FEIN/SSN of Billing NPI

Taxonomy code:

Entities should use either 193200000X or 193400000X for multi or single specialty groups.

Individuals should use the doula taxonomy code of 374J00000X

License:

Individuals must populate the license as professional license

Select "USA" as state

Populate certificate number if the certificate has one

Ownership information for entities and/or individuals including address, tax identifier, and date of birth for individuals

Any contractual relationships with identifying information.

Examples include leasing office space or contracting with the business manager

Managing employees (those who manage day to day operations) including home street addresses, dates of birth and SSNs

Enrollment continued:

Bank routing and account number

Claims submission details Using a vendor to submit claims or yourself through the Medicaid Portal

Location of services

If you solely provide services within the community or recipient homes, you should list your home street address.

If you have a separate dedicated office location outside of your home, then you should list your office location.

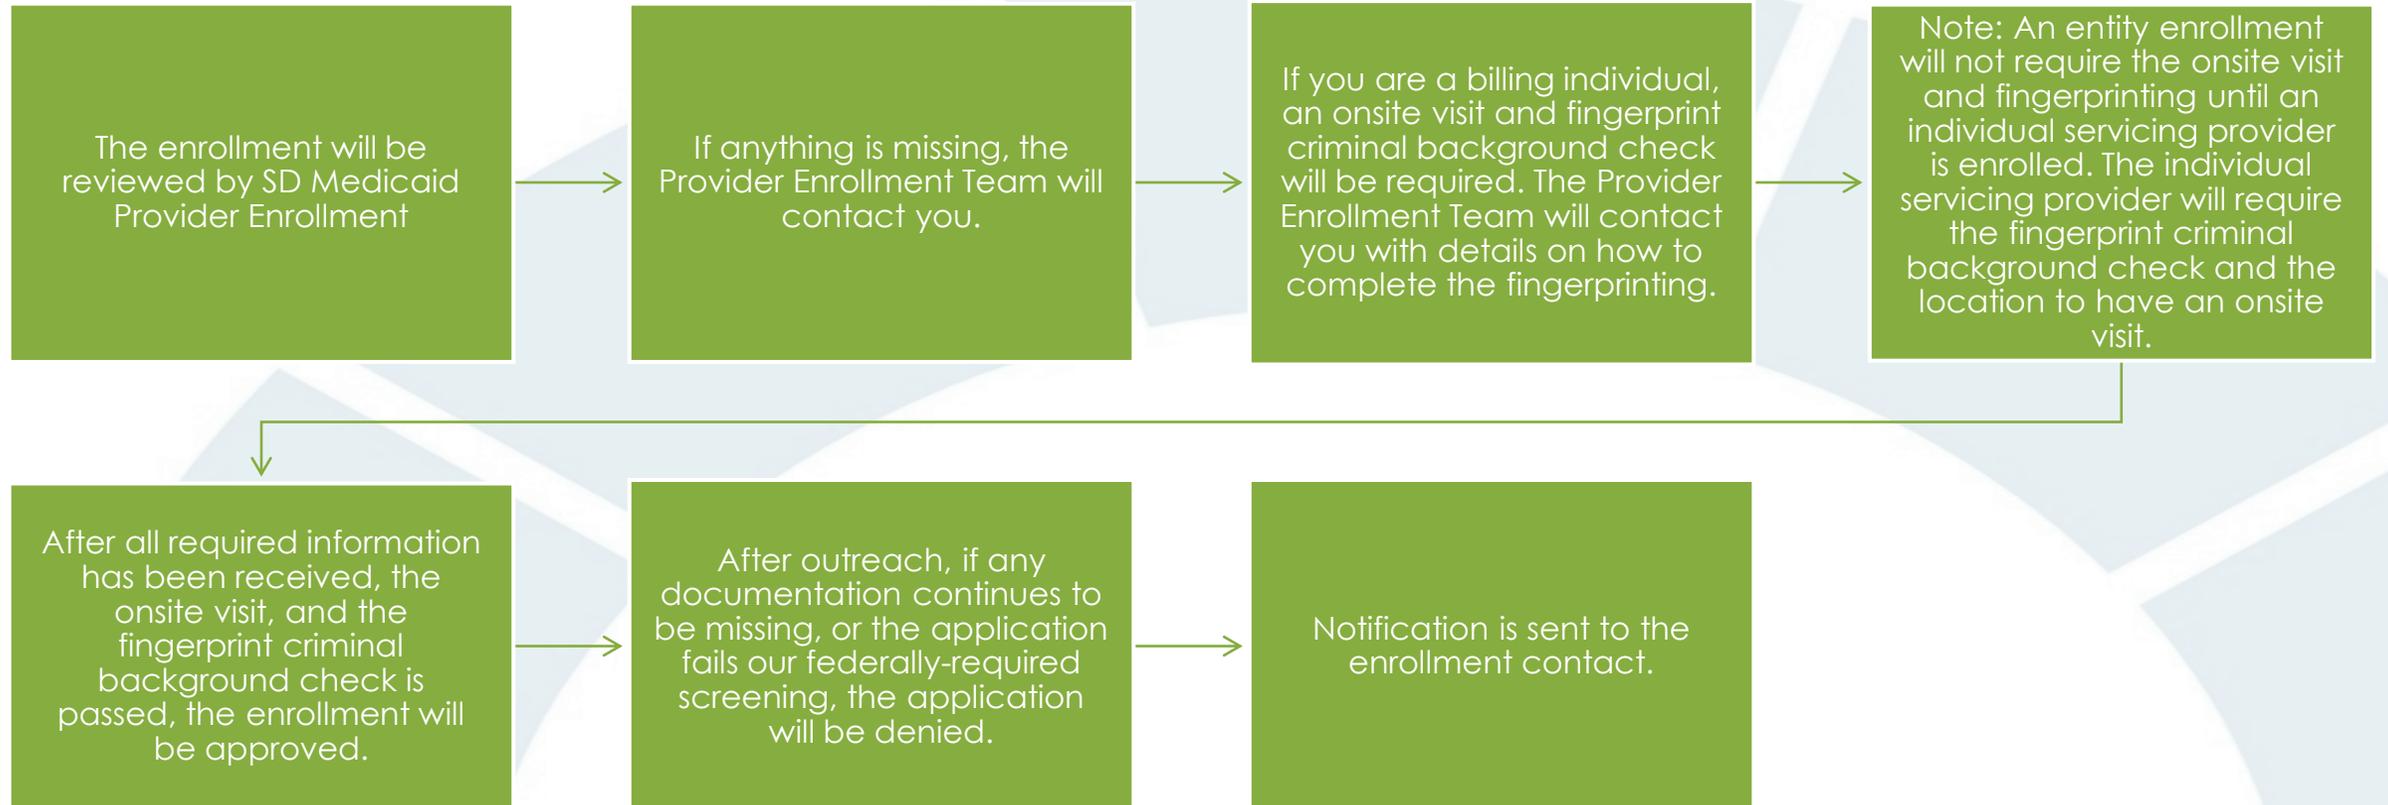

Documents may be uploaded within the application.

Once you have all of the required fields completed, submit the application

After Submission

After Approval

If you are a billing individual and your application is approved, you may begin providing and billing for services.

Entity enrollments must enroll and associate with an individual servicing provider after approval.

Enrolling a Servicing Individual:

- To enroll a servicing individual, you will need the individual's:
 - Type1 Servicing NPI
 - Name, including middle name
 - SSN
 - Date of Birth
 - Use taxonomy code: 374J00000X
 - Licensure:
 - Select Professional license and USA as state
 - Enter Doula Certificate from an approved Doula Certification Body
 - Upload a copy of the certificate
 - The entity's NPI to affiliate to
 - Disclosure form
 - Provider Agreement signed by the individual provider
- Once you have obtained all the required documentation and completed the application, submit the application.

After submission:

- As with the billing applications, SD Medicaid Provider Enrollment will review the application.
- If any documents or data is missing, the team will outreach the enrollment contact.
- An onsite visit will be completed if one has not already for the individual being enrolled.
- The individual servicing provider will also need to complete the fingerprint criminal background check, if it has not already been completed.
 - The Provider Enrollment Team will provide information about how to complete this after the application has been reviewed.
- If the application passes all required checks, it will be approved. Notification is sent to the enrollment contact.
- After approval, the individual may begin providing services.

Recipient Eligibility Verification and Billing

Ways to Bill Services

- CMS 1500 Claim Form
 - contact the U.S. Government Printing Office at 1-866-512-1800, local printing companies in your area, and/or office supply stores.

Claim Information

Mandatory Information

- Recipient Id
- Recipient Name
- Referring Provider NPI
- Diagnosis
- Procedure Code
- Date of Service (must complete the from and to dates)
- Servicing NPI
- Servicing Taxonomy
- Billing NPI
- Billing Taxonomy
- Additional information can be found in our CMS 1500 Claim Instruction Manual on our website
 - https://dss.sd.gov/docs/medicaid/providers/billingmanuals/CMS_1500/CMS_1500_Claim_Instructions.pdf

Medicaid Online Portal

Claims Submission

- Our claims submission feature was created to allow providers to submit claims from our Medicaid Portal instead of mailing in paper CMS 1500 Claim Forms
- Claims submitted on the Medicaid Portal are processed in a similar manner as a claim submitted electronically through a clearing house.
- The format is set up similar to a CMS 1500 Claim Form and after each section you do have to select save in order to move on to the next section.
- Once you have completed all of the information you will select the Submit button and the claim will be picked up by our system after 4PM daily, with the exception of Wednesdays.
- Claims submitted on Wednesdays will not be picked up until Thursday as payroll is generated on Wednesdays.
- You will receive a 14-digit claim reference number after you have submitted your claim.
- This 14-digit ICN number will then appear on your remittance advice.
- We have a Medicaid Portal CMS 1500 Submission Guide that includes additional information
 - https://dss.sd.gov/docs/medicaid/portal/Portal_CMS_1500_Submission_Guide.pdf

Recipient Eligibility

- As a provider you can review recipient eligibility using the Medicaid Portal
- You will select the Recipient Info Tab and then Eligibility
- You will then need to select the Cost Share Type
 - There are several options to select from. You can use the Health Benefit Plan Coverage to get information
- Date of service
 - If you do not put in a date of service, it will default to the current date
- To check the Recipient Eligibility, you will need
 - Recipient Medicaid ID number
 - If you do not have a recipient id, you can use three of these four requirements
 - Recipient First Name
 - Recipient Last Name
 - Last 4 of SSN
 - Date of Birth
