RE: Billing Guidance: NDC/Procedure Code Denial Edit

As communicated on August 4, 2015, SD Medicaid requires both the NDC and HCPC procedure code on Medicaid claims. Beginning November 16, 2015, you will see denials of claims that do not include both an NDC and HCPC for drugs. If the HCPC/NDC combination does not match the crosswalk file the claim will deny.

South Dakota updates its crosswalk file with the CMS crosswalk list located [here](#).

If you have questions related to completing claim forms please see our billing manuals online [here](#) or call our Telephone Service Unit at (800)452-7691. If calling from outside of South Dakota call (605)945-5006.

Thank you,

South Dakota Medicaid
