**RE: Billing Guidance: Telemedicine and UB Claim Forms**

Good afternoon,

This is an informational notice regarding the billing of telemedicine fees. Originating sites must bill the telemedicine facility fee in the following way:

- All outpatient UB claims must be billed using the 780 revenue code with the Q3014 HCPC code. Claims not meeting this criteria will pay zero.
- Inpatient critical access hospital claims must be billed using the 780 revenue code with the GT modifier. Claims not meeting the criteria will pay zero.
- The State Fiscal Year 2015 fee schedule rate for Q3014 is \$24.63.

Distant sites must bill services provided via telemedicine in the following way:

- Services billed must be one of the eligible distant site telemedicine codes listed in the [Institutional Billing Manual](#). These codes must be billed with the GT modifier to indicate the service was provided via telemedicine.

If you have questions please contact the Division of Medical Services at (800) 452-7691 or (605) 945-5006 if calling from outside of South Dakota.

Thank you,

South Dakota Medicaid
