**RE: Medicaid Billing Reminders**

South Dakota Medicaid would like to pass along helpful billing tips and reminders.

- Taxonomy codes on the UB-04 are entered in locator 81CCa.
- Do not include an NDC when billing vaccinations.
- Below are the only valid HIPAA compliant units of measure. If these codes are not correct your claim may be rejected.
  - F2 = International Unit
  - GR = Gram
  - ME = Milligram
  - ML = Milliliter
  - UN = Unit
- Current CMS approved version of the CMS-1500 and CMS-1450 (UB-04) forms are printed in special OCR scannable red ink. Blank copies of the forms may be available at your local office supply stores.

Additional information regarding billing and electronic filing can be found on our website [here](#). If you have questions please contact our Telephone Services Unit at (800) 452-7691, or (605) 945-5006 if calling from outside South Dakota.

Thank you,  
South Dakota Medicaid
