ATTENTION: South Dakota Medicaid Providers

FROM: South Dakota Medicaid

RE: Remittance Advice Survey

As you may be aware, electronic data exchange requirements are largely guided by [CORE Operating Rules](#). In an effort to streamline processes we will be moving away from the mailing of paper remittance advices for those providers who are filing electronic claims and receiving electronic remittance advices. We are asking for your feedback through the following survey. The responses received from this survey will help us understand Medicaid provider impacts as we begin to streamline this process. We will be working to phase this transition in over time.

[Remittance Advice Survey](#)

This effort will NOT affect providers who are filing paper claims today. Providers filing paper claims will continue to receive paper remittance advices until an online solution is fully developed later in 2016.

If you have questions or additional feedback please feel free to contact me by email at Lori.Lawson@state.sd.us.

Thank you,
South Dakota Medicaid
