RE: UPDATE ** Medicaid Online Portal

Greetings,

As previously communicated in listservs, webinars, calls, and online, South Dakota Medicaid is pleased to announce that the mailing of paper remittance advices (RAs) has been replaced with the Medicaid Online Portal which will allow you to view and print RAs associated with your organization. All providers are expected to register and utilize the portal.

- Paper remittance advices will no longer be mailed after the February 1, 2016 payroll.
- Health Home and Primary Care Provider reports are also online and those reports are no longer being mailed.
- Cost Settlement reports, ASA Census reports, and eligibility inquiry will be coming soon.
- This portal is **not** the Provider Enrollment Portal (SD MEDX).
- A pre-recorded training **Webinar, FAQ, and User Guide** are posted on the portal website [here](#).

If you have not done so already, and you are a Medicaid provider, please register for access to the Medicaid Online Portal [here](#). Please submit questions to DSSonlineportal@state.sd.us.

Thank you,
South Dakota Medicaid
