RE: Procedure Code Change for Community Transportation Mileage

Dear South Dakota Medicaid Provider:

Effective **June 1, 2018** the mileage procedure code for community transportation will be changed from code A0425 to S0215. The current procedure code A0425 will no longer be available for community transportation; claims submitted with A0425 after June 1 will deny. Any claim received on or after June 1, 2018 must use procedure code S0215 with the appropriate units. This change only involves the mileage code. The base code will stay the same. All other rules regarding billing of mileage still apply. Please share this information with your billing and coding staff.

If you have questions, please contact us at the above address.

Sincerely,

South Dakota Medicaid
