RE: HHS Medicaid Provider Relief Fund – Extended Application Deadline

The U.S. Department of Health and Human Services (HHS) has announced their intent to distribute approximately \$15 billion to eligible providers that participate in state Medicaid and CHIP programs and have not received a payment from the Provider Relief Fund General Allocation.

HHS has extended the deadline to apply for Provider Relief Funds from July 20, 2020 to **August 3, 2020**.

Provider Relief Funds will flow directly from the federal government to providers; neither South Dakota Medicaid nor the State of South Dakota are involved in the calculation or the distribution of the payments. South Dakota Medicaid encourages providers who have not received payments from previous relief distributions or who have questions about the Provider Relief Funds to review the [HHS website](#) for information on provider actions needed to receive a payment.

The Department of Social Services does not exclude, deny benefits to, or otherwise discriminate against any person on the basis of actual or perceived race, color, religion, national origin, sex, age, gender identity, sexual orientation or disability in admission or access to, or treatment or employment in its programs, activities, or services. For more information about this policy or to file a Discrimination Complaint you may contact: Discrimination Coordinator, Director of DSS Division of Legal Services, 700 Governor's Drive, Pierre SD 57501, 605-773-3305.
