RE: Pharmacy Administered COVID-19 Vaccines

Effective immediately, South Dakota Medicaid will reimburse pharmacy providers through the Pharmacy Point of Sale System (POS) for the administration of COVID-19 vaccines for South Dakota Medicaid recipients. COVID-19 vaccine administration claims should not be billed on a CMS 1500. This change impacts COVID-19 vaccinations only; all other vaccines should continue to be billed on the CMS 1500 claim form.

The cost of the vaccine is covered by the federal government via funding authorized by the Coronavirus Aid, Relief and Economic Security (CARES) Act and therefore the vaccine will be reimbursed at \$0.00. The administration fee for the first dose and the second dose will be paid at the Medicare rate. Providers that have an agreement with the Department of Health for reimbursement of COVID-19 vaccine administration should not bill Medicaid.
