COVERED SERVICES AND LIMITS

General Coverage Principles
Providers should refer to the General Coverage Principles manual for basic coverage requirements all services must meet. These coverage requirements include:

- The provider must be properly enrolled;
- Services must be medically necessary;
- The recipient must be eligible; and
- If applicable, the service must be prior authorized.

The manual also includes non-discrimination requirements providers must abide by.

Private Duty Nursing Covered Services
Private duty nursing (PDN) skilled nursing services and extended home health aide are covered if
medically necessary, service eligibility requirements are met, and services are prior authorized by South Dakota Medicaid.

**Service Eligibility**

In order for PDN services to be covered the following requirements must be met:

- The recipient is age 20 or younger;
- The services are medically necessary;
- The services are provided by an enrolled private duty nursing agency;
- The services are provided in the individual's residence, or other setting as prior authorized. An individual's residence does not include an intermediate care facility for individuals with intellectual disabilities or an institution for individuals with a mental disease, hospital, or nursing facility;
- The services are provided to an individual requiring more patient care than could be provided by a home health agency or professional day care when a condition or illness would result in institutionalization if not cared for at home;
- A parent, guardian, or primary care giver is committed to and capable of performing the medical skills necessary to ensure quality of care and a safe environment for the periods of time when PDN service is not provided;
- Prescribing physician must write an order for PDN services;
- The selected PDN agency must complete an evaluation and create a plan of care;
- The prescribing physician must sign the plan of care;
- Plan of care, medical records and completed PDN/Extended Home Health Aid prior authorization is submitted to South Dakota Medicaid for determination of covered hours and the service is prior authorized by South Dakota Medicaid.

**Limitations**

South Dakota Medicaid will only authorize PDN hours for the following circumstances:

- Hours that guardian(s) work and travel to work;
- Hours that guardian(s) attend school and travel to school; or
- Additional hours for sleep may be authorized for up to 10 hours per 24-hour period when the child's condition and care plan requires intensive nursing interventions and monitoring. Examples of intensive nursing interventions and monitoring include trach and vent dependency with frequent suctioning or the need for ongoing oxygen monitoring, frequent seizure activity with interventions, or other prescribed medically necessary service(s) required with a frequency of every 2 hours or more.

PDN hours are not 24 hours/7 days a week. PDN services cannot be used for respite. HCBS waiver participants may request respite services from the Department of Human Services.

Parent/Guardian(s) are responsible for notifying the PDN agency of their work/school schedule. The PDN agency must document and provide this information in the plan of care and prior authorization request in addition to the parent/guardian attestation form. Parent/Guardian(s) and the PDN facility are responsible for using these hours in accordance with South Dakota Medicaid policy.
PDN services are limited to one RN in an individual’s residence or other approved setting at time per recipient. Medicaid will only cover more than one RN in the individual’s residence or other approved setting for multiple recipients in the same residence or approved setting if all recipients require intensive nursing interventions and monitoring including trach and vent dependency with frequent suctioning or the need for ongoing oxygen monitoring, frequent seizure activity with interventions, or other prescribed medically necessary RN interventions required with a frequency of every 2 hours or more.

Prior Authorization Requests
PDN agencies must submit the following information with their prior authorization request:
- Private Duty Nursing/Extended Home Health Aid Prior Authorization Request Form;
- Parent/Guardian Attestation Form;
- Medical record documentation; and
- Plan of care signed by the practitioner.

Prior authorizations requests should be submitted to DSSMedicaidPA@state.sd.us.

NON-COVERED SERVICES

General Non-Covered Services
Providers should refer to ARSD 67:16:01:08 or the General Coverage Principles manual for a general list of services that are not covered by South Dakota Medicaid.

Non-Covered PDN Services
Private duty nursing is not covered for:
- Custodial or sitter care to ensure compliance with treatment;
- Respite care outside of what is allowed for the guardian(s) as described in the Covered Services and Limits section of this manual;
- Behavioral or eating disorders;
- Observation or monitoring for medical conditions not requiring skilled nursing;
- Hours when one or more parent or guardian is at home unless during authorized sleep hours; and
- Hours while child is at school or in other supervised settings.

DOCUMENTATION REQUIREMENTS

General Requirements
Providers must keep legible medical and financial records that fully justify and disclose the extent of services provided and billed to South Dakota Medicaid. These records must be retained for at least 6 years after the last date a claim was paid or denied. Please refer to the Documentation and Record Keeping manual for additional requirements.
REIMBURSEMENT AND CLAIM INSTRUCTIONS

Timely Filing
South Dakota Medicaid must receive a provider’s completed claim form within 6 months following the month the service was provided. Requests for reconsiderations will only be considered if they are received within the timely filing period or within 3 months of the date a claim was denied. The time limit may be waived or extended by South Dakota Medicaid in certain circumstances. Providers should refer to the General Claim Guidance manual for additional information.

Third-Party Liability
Medicaid recipients may have one or more additional source of coverage for health services. South Dakota Medicaid is generally the payer of last resort, meaning Medicaid only pays for a service if there are no other liable third-party payers. Providers must pursue the availability of third-party payment sources and should use the Medicare Crossover or Third-Party Liability billing instructions when applicable. Providers should refer to the General Claim Guidance manual for additional information.

Reimbursement
A claim submitted for services provided under the PDN agency must be submitted at the provider’s usual and customary charge and must contain the procedure codes listed on the Department’s website. Payment for professional services is limited to the PDN agency’s usual and customary charge or the fee established in the fee schedule maintained on the Department’s website. Supervisory and recertification visits are considered to be an overhead cost and may not be billed as a PDN agency.

Claim Instructions
PDN services must be billed on a CMS 1500 claim form or 837P. Refer to our website for claim instructions. Except for an electronic claim, if the individual is covered by Medicare or private health insurance, a copy of the denial or evidence of payment from Medicare or the insurance carrier must accompany the claim. For an electronic claim, the provider shall maintain and submit to the department on request evidence of claim payments or rejection.

QUICK ANSWERS

1. **What hours can be covered?**

   Refer to the covered services section of the coverage manual.

2. **Can a child receive PDN services while in school?**

   No, the child cannot receive PDN services while in school. [School districts](#) may provide nursing services, based upon medical necessity, during the school day.

3. **Does the RN/LPN/HH Aide need to be employed by PDN agency?**

   Yes, the RN/LPN/HH Aide must be employed by a Medicaid enrolled PDN agency.

4. **How does a recipient get services?**

   A practitioner must write an order or prescribe the care. The child’s guardian(s) should contact a PDN agency to obtain an evaluation and plan of care. Once a plan of care is written, the practitioner must sign the plan of care. That plan of care and medical documentation is then sent by the PDN agency to South Dakota Medicaid to request a prior authorization determination. A PDN agency can provide services according to the schedule established.
